- BUSINESS MEETINGS. Please fill the cooperation profile

Description

The “Riviera dei Cedri” is the northern gateway to Calabria. It features over 40 km of coastline, with extensive and well-equipped beaches, 2 islands, a marine park, the Pollino National Park, towers, castles, ancient villages, and a typical local Calabrian gastronomic tradition waiting to be discovered. The Consorzio ECOtur - Riviera dei Cedri's pool of tourist operators - currently includes the hotel 3 and 4 stars, camping village and hotel residence.
