AMBIENTEPARCO SRL

WWW.AMBIENTEPARCO.IT

DESCRIPTION Ambiente Parco is a Science Center involved in planning and marketing on sustainable mobility systems with exhibition areas (a very new one, about Food is going to start at the end of October 2015). These exhibitions are visited both by families and schools (from primary to high schools and universities). Our goal is the dissemination of good innovative practices paying attention to sustainability, and valorizing new products and researchers.
