Description

Madeo supply chain is located in Southern Italy Calabria. Since 1984 it produces meat and sausages according to old recipes from Calabria and damigliari . The pigs are bred in the wild and fed with cereals and vegetables in season . The native breed of black pig Calabria , was recovered from Madeo in 1990 , and today is protected by a patent Italian and an international model . All ingredients are produced by the industry , such as the famous chili of Calabria , transformed into fresh cream . The fresh air of the two seas of Calabria , the Ionian and Tyrrhenian , gives a taste and a unique flavor .
