Description

After the necessary investments aimed at achieving the top in matters of food safety certified, combined with the excellence of the quality achieved in the production cycle, we are proud to be able to market: the First and Only one, Milk Buffalo Italian drink and the only Cappuccino Buffalo selected by the Region of Lazio and Roma Capitale as Italian excellence Expo 2015. • Ours is the only Italian manufacturer of Italian buffalo milk (UHT whole) to drink. • Our buffalo milk comes exclusively from farms of Lazio region (Frosinone, Latina and Rome South). Italian Buffalo chose France Dairy SpA for the collection, logistics and certification of buffalo milk. • "CAPPUCCINO BUFFALO" is the innovation that will revolutionize the traditional cafe for its special uniqueness "ENERGY MILK". • The taste of buffalo milk they give maximum attention to nutritional values – much higher than the traditional milk. • There are tangible benefits for cardiovascular health, dental and bone. • According to the official data of the National Institute of Nutrition, it showed that the calcium content of phosphorus and vitamins is far superior to cow's milk and are more digestible for a reduced content of carbohydrates. Finally, the ultra-rapid heat treatment at high temperature UHT allows long preservation ensuring food security. 100% natural product.

Idea

First Buffalo Milk UHT

After the necessary investments aimed at achieving the top in matters of food safety certified, combined with the excellence of the quality achieved in the production cycle, we are proud to be able to market: the First and Only one, Milk Buffalo Italian drink and the only Cappuccino Buffalo selected by the Region of Lazio and Roma Capitale as Italian excellence Expo 2015.

- Ours is the only Italian manufacturer of Italian buffalo milk (UHT whole) to drink. • Our buffalo milk comes exclusively from farms of Lazio region (Frosinone, Latina and Rome South). Italian Buffalo chose France Dairy SpA for the collection, logistics and certification of buffalo milk.
- "CAPPUCCINO BUFFALO" is the innovation that will revolutionize the traditional cafe for its special uniqueness "ENERGY MILK". • The taste of buffalo milk they give maximum attention to nutritional values ☐☐much higher than the traditional milk.
- There are tangible benefits for cardiovascular health, dental and bone. • According to the official data of the National Institute of Nutrition, it showed that the calcium content of phosphorus and vitamins is far superior to cow's milk and are more digestible for a reduced content of carbohydrates. Finally, the ultra-rapid heat treatment at high temperature UHT allows long preservation ensuring food security. 100% natural product.
