#### Description

SPIRIT Slovenia is a public agency of the Republic Slovenia realising the orientations of Slovenia's development programmes in order to achieve an innovative, technologically developed, export oriented and for foreign investors attractive destination. Our activities are oriented towards the needs and expectations of the Slovenian and foreign companies. As One Stop Shop we offer business support in one place to companies during their activities home and abroad.

### Benefit from our Services

If you are searching for a supplier or planning to set up or relocate an export business, choosing Slovenia could be the best decision you ever made. Slovenia offers a supportive environment for emerging businesses looking to thrive internationally through its technically-savvy workforce and pro-business infrastructure. All our services are free of charge and include:

- help you to locate prime industrial and commercial property in Slovenia for the purpose you have in mind!
- information to Slovenian businesses and foreign investors seeking a suitable location for their business investment in Slovenia (greenfield, brownfield or acquisition)
- tailor made information about Slovenian suppliers,
- database of Slovenian exporters Sloexport ([www.sloexport.si](http://www.sloexport.si)),
- distribution of your inquiry among Slovenian exporters,
- organization of fact-finding missions,
- links with industry and local authorities, and
- counselling and advice in practical matters.

We organize presentations and connect Slovenian and foreign companies within:

- business delegations and
- collective presentations of Slovenian companies on international trade fairs abroad.
