### PARTNERSHIP FOR TOURISM IN SICILY

We would like to build strong partnership to develop tourism flows to let your clients discover the real Sicily, according with client's needs.

We don't create the same standard Sicily travel package, there are a lot of companies that makes it.

We want always create something particular according with the type of clients, the age, the period in which they come in Sicily. First of all, for us, a trip to Sicily have to be an unforgettable experience.

We are searching travel agencies or tour operator interested in Sicily destination and also interested to work together on transnational projects
