The Melting Pot School of Home Cooking

<http://www.meltingpotschool.com>

Description

The Melting Pot School of Home Cooking is a cookery school with a difference. We offer international cooking classes across London taught by talented cooks in their own homes. Our classes are small, consisting of no more than 6 people, meaning that guests will be fully involved in the preparation of all recipes. Choose between a range of exciting cuisines, and gain a fresh perspective on what home cooking can be.
